COMMUNITY... what does that mean for us as here at Christchurch North Parish?

With our merged Parish, creating a new community may seem daunting. Some of us might be struggling with change and are feeling disconnected while others are embracing what looks like a promising future for us as a big Parish.

Community is vital to a growing Parish but sometimes we simply do not know the person we sit next to at Mass. To engage in community life is to become involved in what the Parish offers and naturally being part of the various ministries is a perfect place to start! However, I recognise that not all of us are able to commit to ministry.

We have many groups and activities that are part of our Parish life - these are advertised in our *'Ministries and Groups Booklet'* on our website, and with copies available in our Church foyers. Becoming part of these groups is a great way to connect with other parishioners, by being involved in likeminded activities.

But wait - there is more. We have developed a Social Team who are arranging **FUN** events that we, as parishioners, can simply have fun at.

Our first major event is a night of fun playing **Bingo with Ethel and Bethel, on Friday 19 November 7pm.**

So, save the date!

We will have more information available soon.

There are more events and groups in the pipeline - watch this space.

This weekend's Gospel is about feeding the five thousand. John tells us:

"A large crowd kept following him..."

May we always follow Christ in all we do - not only spiritually - but in community too.
